***Your Pest Our Problem***

### **BUSINESS SUMMARY**

JH Pestaway is an extermination company that contributes to the decline of the pest population. We provide protection against household and wood destroying pest. Some of these unwanted organisms can create a great financial burden for the public, and have also been linked to some health issues. We acquire our customer's burdens and we eliminate their pests. We take a proactive approach to pest management as well.

### **CAPABILITIES**

- Pests prevention services
- Pests elimination services
- Residential services
- Commercial services
- Provide interior and exterior pest protection
- Implement effective pest control strategies in any size facility
- Work effectively in extreme temperatures and conditions

### **DIFFERENTIATORS**

- We treat each service as if it were our own
- We educate our customers
- Customer satisfaction is our number one priority
- We are honest

### **PAST PERFORMANCES**

- Vendor for the world's leading interconnection platform and the most powerful Internet infrastructure system in the world.
- Vendor for a non-profit organization recognized by President Obama, for providing social innovation.

### **SUMMARY**

**JH Pestaway provides professional, effective, tailored pest management solutions. We keep our cost low and our satisfaction rate high.**
